<p>Remarks: Attention Mr. </p> <p>Ed, attached memo refers to a briefing recently given to a group of State Department administrative officers. A portion of the briefing was devoted to a panel session where and I participated. At the time Mr. Vickers mentioned the possibility of bringing out a group for a fiscal briefing some time in the future. He refers to this again in the final paragraph of the memo. You may want to alert the appropriate individuals that such a briefing request may be forthcoming. I have furnished copies of this memo to both Charley and George.</p>

Dear Mr. [REDACTED]

Thank you for permitting our FSI students to visit and to be briefed. In fact, since your briefing session with us, I have heard nothing but favorable compliments from the members of our Administrative Operations and Management course.

I do hope that we may again visit during our next course which will be some time in the fall.

Incidentally, we are now preparing a schedule for our new fiscal course. Perhaps it will be possible to have a fiscal briefing for this course. As soon as a definitive schedule is established for the course, I shall contact you.

Thanks again,

Harold E. Vickers, Chairman
Administrative Operations
and Management Course
School of Professional Studies
